tip 411

What Is tip411?

The Columbia Falls Police Department utilizes tip411, a popular crime-fighting tool that has been used successfully to reduce crime and drug use in over 1,500 communities across the U.S.

We know that people may sometimes be afraid to call police with information, but when using tip411, the system removes all your identifying information and officers don't receive any identifying information about you – not your name, not your phone number, not your address, *nothing*.
